

GENERAL INFO

RICARDO GARDUNO

Born and raised in Mexico, Ricardo Garduno, is no stranger to the global Techno industry. Besides running his successful Techno imprint, Illegal Alien Records, he also runs Illegal Alien Black Label, Abstract Mechanisms and his most recent project, a new label called Thoughts which focus is on his productions only.

He had numerous successful productions on some of the most reputable Techno labels around the world such as, Warm Up Recordings, Nachtstrom Schallplatten, Sleaze Records, Intacto, Injected Poison and Machine Box just to name a few.

His music can be described as a perfect blend of organic, deep, hypnotic, melodic, dark, distorted, twisted and whatever sounds good.

The present is great for Ricardo Garduno and what can be said about his future is it will be even better.
